General conditions of sale and delivery of Greif Portugal, Lda.

1. GENERAL

1.1 Unless the context shows otherwise, capitalized words and expressions used in these general conditions are defined terms to which the following meaning is assigned: Buyer: the (potential) counterparty of Greif; Greif: Greif Portugal, Lda. and/or one of its affiliated companies (i.e. companies ultimately owned or controlled by Greif, Inc.); Products: any movable goods and services such as collection, reconditioning, stock keeping, maintenance, inspection and advice to be delivered or rendered by Greif. Whenever "written" or "in writing" is used in these general conditions, it shall also mean by fax, e-mail, internet or by means of any other usual (electronic) trade medium.

1.2 These general conditions are applicable to all deliveries, offers, order confirmations of Greif acting as (potential) seller of the Products, all agreements relating thereto as well as related relationships.

1.3 Stipulations deviating from these general conditions must be agreed by Greif in writing and are only applicable to the relevant agreement.

1.4 If any provision of these general conditions is invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of the general conditions which shall remain in full force and effect. Greif and Buyer agree to substitute any invalid or unenforceable provision with a valid and/or enforceable provision, which achieves to the greatest extent possible the objectives of the invalid or unenforceable provision.

1.5 The applicability of general conditions used or referred to by Buyer is explicitly rejected.

1.6 In the event a specific agreement between Greif and Buyer is concluded to which these general conditions apply, the provisions of such specific agreement shall prevail in case of a conflict between the provisions of such specific agreement and the provisions of these general conditions. In case of a dispute between the Portuguese text of these general conditions and translations thereof, the Portuguese version will prevail over any translations thereof.

2. OFFERS

2.1 All offers made by Greif are without engagement, unless explicitly agreed otherwise and are based on performance of the agreement under normal conditions and during normal working hours according to the information supplied by Buyer.

2.2 Buyer's orders are deemed irrevocable. Cancellation or amendment of an order is only possible with Greif's consent and against payment of any costs incurred by Greif.

3. AGREEMENT

3.1 An agreement between Greif and Buyer is concluded, when Greif accepts Buyer's order in writing, or when Greif commences the execution of the order placed by Buyer. Subject to clause 4.1, the order confirmation is deemed to correctly and – if no additional arrangements are made- completely reflect the agreement.

3.2 Amendments, additions or promises made after conclusion of the agreement by Greif's employees, agents, representatives or other persons acting on Greif's behalf are only binding if confirmed in writing by Greif.

3.3 Buyer is obliged to provide Greif with all information and documents necessary to execute the agreement (including governmental requirements regarding Greif and/or the Products). Greif is not obliged to verify whether the information and documents are correct. Failure by Greif in the performance of its obligations due to incorrect or incomplete information provided by Buyer cannot be attributed to Greif. Buyer is liable for the damage resulting from incorrect or incomplete information.

3.4 Samples and models of the Products provided to Buyer only serve as an indication. The Products do not need to correspond with these samples or models.

3.5 Buyer may not assign the agreement or assign or encumber any of its rights there under to group companies or third parties, without Greif's prior written consent.

4. PRICES

4.1 All prices are excluding VAT and other charges, duties and taxes imposed by governmental authorities and are based on full truckloads and delivery DAP [named place and destination] under the Incoterms® (latest edition), unless otherwise agreed in writing. Where the requested delivery date in Buyer's order falls more than 30 days from the date of Buyer's order, Greif reserves the right to apply the pricing which is valid at the time of delivery, unless otherwise agreed in writing.

4.2 In case of changes in cost prices and/or tariffs such as wages, raw materials, official currency rates, freight tariffs, energy, utilities, Greif is entitled to pass on such adjusted prices to Buyer.

5. DELIVERY

5.1 The time for delivery indicated by Greif only serves as an estimate and is not of the essence. In case of untimely delivery, Buyer has to give notice in writing to Greif granting Greif a reasonable additional time for delivery.

5.2 Delivery will be done under the terms included in the order confirmation. If no condition has been agreed, delivery will be done DAP under the Incoterms® (latest edition).

5.3 The time of delivery is based on the (labour) conditions as known and in force at the time of conclusion of the agreement. Delay in delivery does not entitle Buyer to wholly or partly rescind the agreement or cancel an order or to claim damages, except in case of willful intent or gross negligence of Greif or its directors.

5.4 Greif is entitled to postpone deliveries until Buyer has fulfilled all its outstanding payment obligations towards Greif.

5.5 Greif is entitled to deliver prior to the agreed delivery date and is entitled to deliver in parts and to invoice such partial deliveries separately.

5.6 If a delay in delivery is caused by or a consequence of an act or omission of Buyer or force majeure as meant in clause 11, Greif is entitled to postpone delivery with the period of the delay.

5.7 Minor deviations with respect to the agreed quantities, weight, measures, colour, quality, thickness and/or composition not affecting the agreed performance specifications are deemed accepted by Buyer.

6. ACCEPTANCE OF DELIVERY

6.1 Buyer shall procure that Greif can deliver the Products at the named place of destination on the agreed delivery date and is obliged to cooperate with delivery. Without prejudice to clause 8 (Warranty and inspection), Buyer shall be deemed to have received the Products in good order upon acceptance of delivery.

6.2 If Greif provides for transport of the Products and Buyer fails to comply with its obligation under clause 6.1, Buyer is in default without any further notice of default being required. In that case, or if Buyer omits to provide the necessary information for delivery, Greif is entitled to pass on the additional costs (e.g. storage, transport, insurance) to Buyer. Greif will store or procure storage of the Products concerned on Buyer's risk and account. If Buyer does not collect the Products concerned within the stipulated term, Greif is entitled to terminate the agreement in whole or in part and to dispose of the Products concerned in any manner it deems fit, without any compensation whatsoever being due by Greif.

6.3 The day on which Buyer does not accept delivery is considered to be the delivery date. The risk of the Products passes to Buyer as of the moment in which Buyer refuses acceptance.

7. PAYMENT

7.1 Payment by Buyer shall be made within 15 days after the date of invoice, unless agreed otherwise, in the currency stipulated on the invoice.

7.2 If payment is not received by the due date, Buyer is immediately in default, without any further notice being required. Greif shall be entitled to charge statutory interest in business transactions. Without prejudice to any other rights or remedies Greif may have, Greif is in that case entitled to immediately claim payment of all outstanding invoices, regardless of whether these are already due, and to postpone performance of its obligations under the agreement and/or to terminate the agreement in whole or in part.

7.3 All costs relating to the collection of debts as well as all judicial and extra-judicial costs are for Buyer's account, with a minimum of 15% of the principal amount.

7.4 In case Greif has good reason to believe that Buyer will not strictly or timely fulfil its obligations vis-à-vis Greif, Buyer is obliged at Greif's first request to provide satisfactory security in the form requested by Greif with respect to the fulfilment of Buyer's obligations under the agreement(s). All costs in this respect are for Buyer's account. If Buyer fails to comply with Greif's request, Greif is entitled to postpone fulfilment of its obligations.

7.5 Buyer is not entitled to set off its obligations against any claim it may have against Greif or its group companies, whether or not due and payable nor to suspend payment or make a deduction.

7.6 Greif may at any time set off its obligations towards Buyer, in whatever currency and whether or not due and payable, against any claims which it may have against Buyer, in whatever currency and whether or not due and payable.

7.7 Greif is entitled to transfer receivables under the agreement with Buyer to another Greif group company or a bank, as part of present or future factoring program(s) or similar agreements with one of Greif's banks. Greif will remain responsible for the invoicing, administration and collection of the receivables, unless the relevant factoring company notifies Buyer otherwise.

8. WARRANTY AND INSPECTION

8.1 Greif warrants that the Products comply with the agreed specifications in writing and are free from defects in material and workmanship at the time of delivery. This warranty is only valid in case of first use of the Products even if a Product is reusable and subsequently reconditioned. In respect of reconditioned Product or reconditioning services provided by Greif, Greif only warrants at the time of delivery that such services are provided in accordance with the agreed specifications in writing and absence of defects which are identifiable as part of Greif's reconditioning procedure. Greif disclaims and excludes all other warranties, express or implied, including without limitation fitness for a particular purpose or merchantability or with respect to the services rendered by Greif. It remains Buyer's responsibility to select the appropriate Product based upon all information at its disposal.

8.2 Without limiting the generality of the foregoing, in respect of Product with UN marking for which the Buyer purchases and uses closures from a third party, Buyer expressly confirms and acknowledges that where such third-party closure is not conforming to the relevant UN certificate specification, the respective UN marking for the Product becomes automatically invalid. It is and remains the Buyer's responsibility to have obtained a copy of the closure specification, the UN marked Product specification and the appropriate UN certificate and to further seek a certificate of conformity for each delivery of relevant closures and UN marked Product and, upon delivery thereof, to verify compliance with the Buyer's purchasing documents. It also comes within the scope of Buyer's duties to check and assess the chemical compatibility and permeation of the assembled Product with its own filling goods and applications.

8.3 Greif never warrants the absence of defects, which are the consequence of complying with any mandatory governmental laws and regulations regarding the nature or the quality of the raw materials and/or materials applied in the delivered Products.

8.4 Buyer cannot claim under this warranty if it (or a third party) has used the Products for another purpose than for which they are fit, it has not properly stored, handled or filled the Products, after it (or a third party on its behalf) has repaired, processed, installed or assembled the delivered Products, nor in case of normal wear and tear, defects caused by moisture, corrosion, radioactive substance, differences in temperature or pressure or other weather influences.

8.5 Warranty claims will be dealt with provided these have been filed in writing and within the stipulated time frame and provided that the Products in question remain available in the state in which they were delivered.

8.6 Buyer is obliged to inspect the Products and their packaging at delivery in order to evaluate whether they conform to the agreement and are free from defects. Any shortages or damage to the packaging must be notified on the delivery notice, failing which Buyer loses its right to claim under this warranty.

8.7 Buyer must inform Greif of any claims regarding quantities and measures in writing within 48 hours after delivery, failing which the information on the delivery order, freight documents, invoice etc. are deemed to be correct. Claims regarding visible defects must be notified to Greif in writing within 8 days after delivery. Claims regarding defects that are not visible must be notified to Greif in writing within 8 days after discovery of the defect or after such moment that the defect or deviation could reasonably have been detected, but in any case within three (3) months delivery (for new steel Products and for any reconditioning services and any reconditioned Products) and within six (6) months after delivery (for new non-steel Products).

8.8 If a claim of Buyer under this clause 8 is considered to be justified by Greif, Greif is, at its discretion, only obliged to either deliver the lacking part or quantity, replace the Products delivered or to credit Buyer the amount paid for the relevant Products plus shipping costs incurred by Buyer, without any further compensation becoming due.

8.9 Buyer is not relieved from its payment obligations upon filing a warranty claim. Defects in part of the delivered Products do not entitle Buyer to refuse acceptance of the entire delivery. If a warranty claim is made regarding the number of Products delivered in deviation of Buyer's order, the actual number of Products delivered shall be invoiced.

8.10 Return of Products delivered under this clause 8 is only permitted after Greif has given its prior written consent and under the conditions as prescribed by Greif.

9. RISK AND TITLE TO THE PRODUCTS

9.1 Unless explicitly agreed otherwise, the risk of the Products passes to Buyer upon delivery as per the agreed Incoterm.

9.2 Greif retains title to the Products delivered or to be delivered, until Buyer has fulfilled its payment obligations with respect to all Products delivered or to be delivered under the agreement(s) and with respect to all claims based on breach of such agreement(s).

9.3 Until Buyer has fulfilled its payment obligations in full, Buyer is neither entitled to pledge nor to otherwise encumber the Products for security reasons or otherwise. Buyer may only dispose of the Products in the normal course of its business.

9.4 If Buyer fails to perform its obligations under the agreement or in case Greif has good reason to believe that Buyer will fail, Greif is entitled to collect the Products of which title is retained from Buyer or a third party. Buyer is obliged to cooperate and herewith irrevocably grants Greif the right to enter the premises where the Products are located and undertakes to ensure this right on behalf of Greif for sites of third parties.

10. TERMINATION/SUSPENSION

10.1 If Buyer:

a. files for an application or an application is filed with regard to Buyer for bankruptcy or if Buyer is declared bankrupt, if an application for a (preliminary) suspension of payments with regard to Buyer is made or granted, a creditor of Buyer levies execution against, forecloses on, or takes possession of, all or any part of Buyer's assets which is not lifted within 10 days; b. fails to fulfill any obligation arising out of the law or agreement (including these general conditions) vis-à-vis Greif after a notice of default has been sent;

c. ceases to carry on its business or a substantial part thereof, Buyer is deemed to be automatically in default. All outstanding invoices shall become immediately due and payable.

10.2 In the situations mentioned in clause 10.1 or if a change in the ownership of Buyer, whether through voting rights, contract or otherwise occurs, Greif is entitled, without any compensation becoming due and without prejudice to any other rights or remedies Greif may have, to extra judicially terminate the agreement in whole or in part by sending Buyer a notice to this effect, without any notice of default being required and/or to suspend performance of its obligations under any agreement with Buyer.

10.3 Buyer shall immediately inform Greif if attachment/ seizure is laid on any Products for which title has been retained by Greif (as meant in clause 9.2) or if any of the circumstances mentioned under clause 10.1 occurs.

11. FORCE MAJEURE

11.1 If Greif fails to perform any of its obligations due to Force Majeure, Greif is entitled to suspend performance of its obligations under the agreement or to terminate the agreement in whole or in part, without any compensation being due by Greif. Greif will inform Buyer in writing if a situation constituting Force Majeure occurs.

11.2 The term "Force Majeure" shall mean any permanent or temporary circumstance, event or occurrence the cause of which is not reasonably within the control of Greif including, without limitation, acts of God, strikes, fires, floods, explosions, wars, acts of terrorism, riots, delays of carriers, transportation problems, perils of the sea, embargoes, shortage of raw materials, shortage or supply restrictions on energy and electricity, unavoidable accidents, cybersecurity attacks or incidents, pandemics or epidemics, restrictions imposed by national or local jurisdictions or any governmental authority and all other circumstances under which Greif can reasonably no longer be held to fulfill its obligations towards Buyer.

12. LIABILITY

12.1 Without prejudice to clause 8 (Warranty and inspection) and except in case of (i) gross negligence or willful intent, (ii) death or personal injury caused by negligence, (iii) mandatory product liability which cannot be limited or excluded by contract, or (iv) fraudulent misrepresentation, Greif's liability is limited to the amount invoiced (excl. VAT) under the purchase order relating to the Products, which caused the damage, or, at Greif's sole option, to the amount actually paid out by Greif's insurers in the matter concerned.

12.2 Greif shall never be liable for any loss of profits, loss of revenue, loss of goodwill, loss of contracts or missed orders, loss of savings or losses caused by disruption or stoppage of the production and/or the business, personnel injury or claims from third parties against Buyer, or for any consequential, indirect, incidental, special, exemplary or punitive losses or damages of any kind whatsoever.

12.3 Greif is not liable for damages and losses caused by gross negligence or willful intent of its employees and/or agents. 12.4 Greif stipulates all legal and contractual defences that it can invoke in respect of its liability towards Buyer also for the benefit of its employees and agents for which it can be held liable.

12.5 Buyer is obliged to indemnify and hold Greif harmless against any and all claims of third parties related to the delivered Products, except to the extent the damage is caused by willful intent or gross negligence of Greif or its directors.

12.6 Without prejudice to the notification periods for claims set out in clause 8.6, any claim and/or defence, based upon facts that would justify a Buyer's claim arising under or in connection with the agreement, expires one (1) year after the date of Products delivery.

12.7 The foregoing provisions do not affect liability based on mandatory law.

13. INTELLECTUAL PROPERTY AND CONFIDENTIALITY; DATA PRIVACY

13.1 Buyer acknowledges that all intellectual and industrial property rights pertaining to the Products are and shall remain in exclusive ownership of Greif or Greif's group companies and Buyer shall not challenge these rights or seek protection thereof. Products may not be copied or otherwise manufactured or reproduced.

13.2 Buyer shall keep confidential the terms and conditions of the agreement and all technical, business, financial and other information, which becomes known to Buyer with respect to Greif, its group companies and/or the Products.

13.3 Any personal data which is disclosed by Greif or by Buyer hereunder shall be treated at all times in accordance with the applicable data protection legislation and - without limiting the generality of the foregoing - for the countries in the European Union, in accordance with the provisions of the General Data Protection Regulation 2016/679 (GDPR) of the European Union and related local laws. Greif and Buyer acknowledge that they are data controllers with regard to the personal data they share with each other. Each of Greif and Buyer shall ensure that it will: (a) comply with applicable data protection law; (b) only process personal data for legitimate internal business purposes; (c) provide the other party with personal data that is up-to-date and relevant for the lawful and legitimate business purposes of the other party; (d) not process personal data in such a way that substantial damage or substantial distress is, or is likely to be, caused to any data subject; and (e) deal promptly and appropriately with requests for assistance from the other party to ensure compliance of the processing with applicable data protection law.

14. SANCTIONS LAWS

Greif is a subsidiary of Greif, Inc., a U.S. listed company, and all companies of the Greif group in all their business activities strictly comply with all applicable sanctions laws, including without limitation U.S. (OFAC), EU and UK sanctions, embargoes and export restrictions laws as enacted, supplemented and amended from time to time ("Sanctions Laws"). Nothing hereunder requires Greif to supply any Product or to perform any transaction that would cause it to be in breach of Sanctions Laws. Buyer unconditionally agrees it shall not act or fail to act in any way that, in Greif's opinion, would cause Greif to be in breach of Sanctions Laws and undertakes to provide, issue and sign any relevant declarations and other documents which may reasonably be requested by Greif to ensure compliance under Sanctions Laws. Without limiting the generality of the foregoing, Buyer shall not order any Greif services or goods for use or export to countries/territories which are blacklisted under Sanctions Laws (including without limitation Cuba, Iran, North Korea, Sudan, and Syria). Any breach of the foregoing by Buyer (or Buyer's affiliate) is considered material breach entitling Greif to terminate the business relationship and/or agreement hereunder with immediate effect and without any liability for Greif.

6.1 Buyer shall procure that Greif can deliver the Products at the named place of destination on the agreed delivery date and is obliged to cooperate with delivery. Without prejudice to clause 8 (Warranty and inspection), Buyer shall be deemed to have received the Products in good order upon acceptance of delivery.

6.2 If Greif provides for transport of the Products and Buyer fails to comply with its obligation under clause 6.1, Buyer is in default without any further notice of default being required. In that case, or if Buyer omits to provide the necessary information for delivery, Greif is entitled to pass on the additional costs (e.g. storage, transport, insurance) to Buyer. Greif will store or procure storage of the Products concerned on Buyer's risk and account. If Buyer does not collect the Products concerned within the stipulated term, Greif is entitled to terminate the agreement in whole or in part and to dispose of the Products concerned in any manner it deems fit, without any compensation whatsoever being due by Greif.

6.3 The day on which Buyer does not accept delivery is considered to be the delivery date. The risk of the Products passes to Buyer as of the moment in which Buyer refuses acceptance.

7. PAYMENT

7.1 Payment by Buyer shall be made within 15 days after the date of invoice, unless agreed otherwise, in the currency stipulated on the invoice.

7.2 If payment is not received by the due date, Buyer is immediately in default, without any further notice being required. Greif shall be entitled to charge statutory interest in business transactions. Without prejudice to any other rights or remedies Greif may have, Greif is in that case entitled to immediately claim payment of all outstanding invoices, regardless of whether these are already due, and to postpone performance of its obligations under the agreement and/or to terminate the agreement in whole or in part.

7.3 All costs relating to the collection of debts as well as all judicial and extra-judicial costs are for Buyer's account, with a minimum of 15% of the principal amount.

7.4 In case Greif has good reason to believe that Buyer will not strictly or timely fulfil its obligations vis-à-vis Greif, Buyer is obliged at Greif's first request to provide satisfactory security in the form requested by Greif with respect to the fulfilment of Buyer's obligations under the agreement(s). All costs in this respect are for Buyer's account. If Buyer fails to comply with Greif's request, Greif is entitled to postpone fulfilment of its obligations.

7.5 Buyer is not entitled to set off its obligations against any claim it may have against Greif or its group companies, whether or not due and payable nor to suspend payment or make a deduction.

7.6 Greif may at any time set off its obligations towards Buyer, in whatever currency and whether or not due and payable, against any claims which it may have against Buyer, in whatever currency and whether or not due and payable.

7.7 Greif is entitled to transfer receivables under the agreement with Buyer to another Greif group company or a bank, as part of present or future factoring program(s) or similar agreements with one of Greif's banks. Greif will remain responsible for the invoicing, administration and collection of the receivables, unless the relevant factoring company notifies Buyer otherwise.

8. WARRANTY AND INSPECTION

8.1 Greif warrants that the Products comply with the agreed specifications in writing and are free from defects in material and workmanship at the time of delivery. This warranty is only valid in case of first use of the Products even if a Product is reusable and subsequently reconditioned. In respect of reconditioned Product or reconditioning services provided by Greif, Greif only warrants at the time of delivery that such services are provided in accordance with the agreed specifications in writing and absence of defects which are identifiable as part of Greif's reconditioning procedure. Greif disclaims and excludes all other warranties, express or implied, including without limitation fitness for a particular purpose or merchantability or with respect to the services rendered by Greif. It remains Buyer's responsibility to select the appropriate Product based upon all information at its disposal.

8.2 Without limiting the generality of the foregoing, in respect of Product with UN marking for which the Buyer purchases and uses closures from a third party, Buyer expressly confirms and acknowledges that where such third-party closure is not conforming to the relevant UN certificate specification, the respective UN marking for the Product becomes automatically invalid. It is and remains the Buyer's responsibility to have obtained a copy of the closure specification, the UN marked Product specification and the appropriate UN certificate and to further seek a certificate of conformity for each delivery of relevant closures and UN marked Product and, upon delivery thereof, to verify compliance with the Buyer's purchasing documents. It also comes within the scope of Buyer's duties to check and assess the chemical compatibility and permeation of the assembled Product with its own filling goods and applications.

8.3 Greif never warrants the absence of defects, which are the consequence of complying with any mandatory governmental laws and regulations regarding the nature or the quality of the raw materials and/or materials applied in the delivered Products.

8.4 Buyer cannot claim under this warranty if it (or a third party) has used the Products for another purpose than for which they are fit, it has not properly stored, handled or filled the Products, after it (or a third party on its behalf) has repaired, processed, installed or assembled the delivered Products, nor in case of normal wear and tear, defects caused by moisture, corrosion, radioactive substance, differences in temperature or pressure or other weather influences.

8.5 Warranty claims will be dealt with provided these have been filed in writing and within the stipulated time frame and provided that the Products in question remain available in the state in which they were delivered.

8.6 Buyer is obliged to inspect the Products and their packaging at delivery in order to evaluate whether they conform to the agreement and are free from defects. Any shortages or damage to the packaging must be notified on the delivery notice, failing which Buyer loses its right to claim under this warranty.

8.7 Buyer must inform Greif of any claims regarding quantities and measures in writing within 48 hours after delivery, failing which the information on the delivery order, freight documents, invoice etc. are deemed to be correct. Claims regarding visible defects must be notified to Greif in writing within 8 days after delivery. Claims regarding defects that are not visible must be notified to Greif in writing within 8 days after discovery of the defect or after such moment that the defect or deviation could reasonably have been detected, but in any case within three (3) months delivery (for new steel Products and for any reconditioning services and any reconditioned Products) and within six (6) months after delivery (for new non-steel Products).

8.8 If a claim of Buyer under this clause 8 is considered to be justified by Greif, Greif is, at its discretion, only obliged to either deliver the lacking part or quantity, replace the Products delivered or to credit Buyer the amount paid for the relevant Products plus shipping costs incurred by Buyer, without any further compensation becoming due.

8.9 Buyer is not relieved from its payment obligations upon filing a warranty claim. Defects in part of the delivered Products do not entitle Buyer to refuse acceptance of the entire delivery. If a warranty claim is made regarding the number of Products delivered in deviation of Buyer's order, the actual number of Products delivered shall be invoiced.

8.10 Return of Products delivered under this clause 8 is only permitted after Greif has given its prior written consent and under the conditions as prescribed by Greif.

9. RISK AND TITLE TO THE PRODUCTS

9.1 Unless explicitly agreed otherwise, the risk of the Products passes to Buyer upon delivery as per the agreed Incoterm.

9.2 Greif retains title to the Products delivered or to be delivered, until Buyer has fulfilled its payment obligations with respect to all Products delivered or to be delivered under the agreement(s) and with respect to all claims based on breach of such agreement(s).

9.3 Until Buyer has fulfilled its payment obligations in full, Buyer is neither entitled to pledge nor to otherwise encumber the Products for security reasons or otherwise. Buyer may only dispose of the Products in the normal course of its business.

9.4 If Buyer fails to perform its obligations under the agreement or in case Greif has good reason to believe that Buyer will fail, Greif is entitled to collect the Products of which title is retained from Buyer or a third party. Buyer is obliged to cooperate and herewith irrevocably grants Greif the right to enter the premises where the Products are located and undertakes to ensure this right on behalf of Greif for sites of third parties.

10. TERMINATION/SUSPENSION

10.1 If Buyer:

a. files for an application or an application is filed with regard to Buyer for bankruptcy or if Buyer is declared bankrupt, if an application for a (preliminary) suspension of payments with regard to Buyer is made or granted, a creditor of Buyer levies execution against, forecloses on, or takes possession of, all or any part of Buyer's assets which is not lifted within 10 days; b. fails to fulfill any obligation arising out of the law or agreement (including these general conditions) vis-à-vis Greif after a notice of default has been sent;

c. ceases to carry on its business or a substantial part thereof, Buyer is deemed to be automatically in default. All outstanding invoices shall become immediately due and payable.

10.2 In the situations mentioned in clause 10.1 or if a change in the ownership of Buyer, whether through voting rights, contract or otherwise occurs, Greif is entitled, without any compensation becoming due and without prejudice to any other rights or remedies Greif may have, to extra judicially terminate the agreement in whole or in part by sending Buyer a notice to this effect, without any notice of default being required and/or to suspend performance of its obligations under any agreement with Buyer.

10.3 Buyer shall immediately inform Greif if attachment/ seizure is laid on any Products for which title has been retained by Greif (as meant in clause 9.2) or if any of the circumstances mentioned under clause 10.1 occurs.

11. FORCE MAJEURE

11.1 If Greif fails to perform any of its obligations due to Force Majeure, Greif is entitled to suspend performance of its obligations under the agreement or to terminate the agreement in whole or in part, without any compensation being due by Greif. Greif will inform Buyer in writing if a situation constituting Force Majeure occurs.

11.2 The term "Force Majeure" shall mean any permanent or temporary circumstance, event or occurrence the cause of which is not reasonably within the control of Greif including, without limitation, acts of God, strikes, fires, floods, explosions, wars, acts of terrorism, riots, delays of carriers, transportation problems, perils of the sea, embargoes, shortage of raw materials, shortage or supply restrictions on energy and electricity, unavoidable accidents, cybersecurity attacks or incidents, pandemics or epidemics, restrictions imposed by national or local jurisdictions or any governmental authority and all other circumstances under which Greif can reasonably no longer be held to fulfill its obligations towards Buyer.

12. LIABILITY

12.1 Without prejudice to clause 8 (Warranty and inspection) and except in case of (i) gross negligence or willful intent, (ii) death or personal injury caused by negligence, (iii) mandatory product liability which cannot be limited or excluded by contract, or (iv) fraudulent misrepresentation, Greif's liability is limited to the amount invoiced (excl. VAT) under the purchase order relating to the Products, which caused the damage, or, at Greif's sole option, to the amount actually paid out by Greif's insurers in the matter concerned.

12.2 Greif shall never be liable for any loss of profits, loss of revenue, loss of goodwill, loss of contracts or missed orders, loss of savings or losses caused by disruption or stoppage of the production and/or the business, personnel injury or claims from third parties against Buyer, or for any consequential, indirect, incidental, special, exemplary or punitive losses or damages of any kind whatsoever.

12.3 Greif is not liable for damages and losses caused by gross negligence or willful intent of its employees and/or agents.

12.4 Greif stipulates all legal and contractual defences that it can invoke in respect of its liability towards Buyer also for the benefit of its employees and agents for which it can be held liable.

12.5 Buyer is obliged to indemnify and hold Greif harmless against any and all claims of third parties related to the delivered Products, except to the extent the damage is caused by willful intent or gross negligence of Greif or its directors.

12.6 Without prejudice to the notification periods for claims set out in clause 8.6, any claim and/or defence, based upon facts that would justify a Buyer's claim arising under or in connection with the agreement, expires one (1) year after the date of Products delivery.

12.7 The foregoing provisions do not affect liability based on mandatory law.

13. INTELLECTUAL PROPERTY AND CONFIDENTIALITY; DATA PRIVACY

13.1 Buyer acknowledges that all intellectual and industrial property rights pertaining to the Products are and shall remain in exclusive ownership of Greif or Greif's group companies and Buyer shall not challenge these rights or seek protection thereof. Products may not be copied or otherwise manufactured or reproduced.

13.2 Buyer shall keep confidential the terms and conditions of the agreement and all technical, business, financial and other information, which becomes known to Buyer with respect to Greif, its group companies and/or the Products.

13.3 Any personal data which is disclosed by Greif or by Buyer hereunder shall be treated at all times in accordance with the applicable data protection legislation and - without limiting the generality of the foregoing - for the countries in the European Union, in accordance with the provisions of the General Data Protection Regulation 2016/679 (GDPR) of the European Union and related local laws. Nothing hereunder requires Greif to supply any Product or to perform any transaction that would cause it to be in breach of Sanctions Laws. Buyer unconditionally agrees it shall not act or fail to act in any way that, in Greif's opinion, would cause Greif to be in breach of Sanctions Laws and undertakes to provide, issue and sign any relevant declarations and other documents which may reasonably be requested by Greif to ensure compliance under Sanctions Laws.
